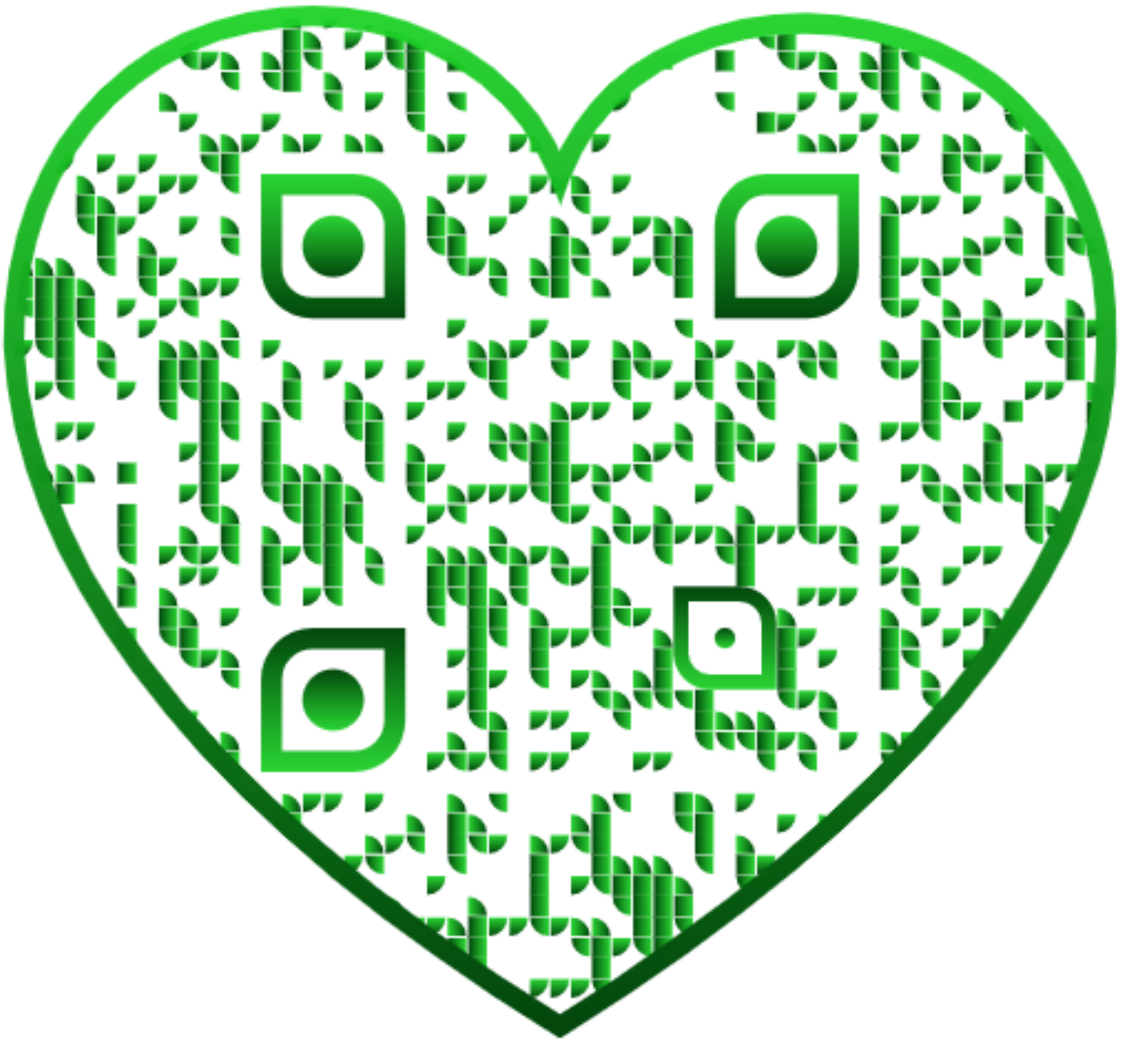
THE GATE OF CHANGE TO THE NATIONS

'ANGEL OF CHANGE"

http://miraclewebchurch.com/membersite/videos/angel-in-the-whirlwind/index.html

Aleister Crowley attempted to create a dimensional vortex that would bridge the gap between the world of seen and unseen. The ritual was called the Amalantrah Working, and according to Crowley became successful when a presence manifested itself through the rift. He called the being "Lam" and drew a portrait of it. The startling image, detailed almost 90 years ago, bears powerful similarity with "Alien Greys" of later pop culture."

Nearly three decades after the Amalantrah Working, rocket scientist and co-founder of the Jet Propulsion Laboratory, **Jack Parsons,** and his pal, **L. Ron Hubbard** (Church of Scientology founder), conducted a second ritual, the 'Babalon Working', and in an attempt to reopen the gateway created by Crowley. The two men were not seeking audience with Lam.



They wanted the spirit of Babalon, the archetypal divine feminine, to pass through the portal, and to incarnate itself within a human being. Many adepts of **enochian magic and Ordo Templi Orientis** believe they succeeded, and that *she*--the whore of Babalon--walks the earth today.[i]

Babalon Working

The **Babalon Working** was a series of magick ceremonies or rituals commenced on March 2, 1946 by Jack Parsons, essentially designed to manifest an individual incarnation of the archetypal divine feminine called Babalon, as well as to catalyze the reification of that force as it exists latently in every man and woman.[*citation needed*]

During the ceremony L. Ron Hubbard acted as a scribe noting the results of the magical workings. Marjorie Cameron participated as Parsons' sex magical partner. The rituals performed drew largely upon the Enochian magical system devised by Dr. John Dee and Sir Edward Kelley. They also drew heavily from rituals and sex magick described by Aleister Crowley, who in turn borrowed many aspects of his Babalon from combining the Babylonian goddess Ishtar[*citation needed*] with the figure of Mystery Babalon, the "Great Whore" in the biblical *Book of Revelation*.

A brief text entitled *The Book of Babalon*, or *Liber 49*, was written by Jack Parsons as a transmission from the goddess or force called Babalon received by him during the Babalon Working. Parsons said that *Liber 49* constituted a fourth chapter of *Liber AL Vel Legis (The Book of the Law)*, the holy text of Thelema.

In the gematria of Hermetic Qabalah, Aleister Crowley equated the number 156 with Babalon (equating the letter 'o' with the Hebrew letter *Ayin* which has the value 70). In Enochian, "Babalon" means "wicked". "Babylon" means "a harlot".

Fifty years later: Jack Parsons, October 2, 1914 – died June 17, 1952), was an American rocket propulsion researcher at the California Institute of Technology

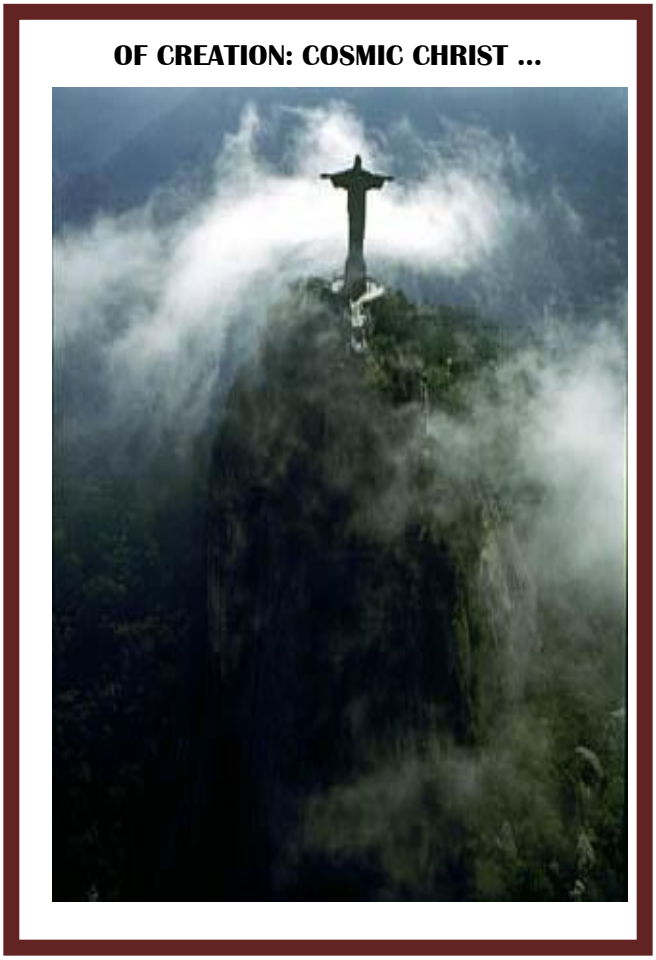
and co-founder of the Jet Propulsion Laboratory (JPL) and Aerojet Corporation. He was also an enthusiastic occultist, and one of the earliest American devotees of Aleister Crowley did another ritual called the **Babalon Working**. He wanted to incarnate the spirit of Babalon to our current generation. Parsons was also an avid practitioner of the occult arts, and a follower of Thelema. He saw no contradiction between his scientific and magical pursuits: before each rocket test launch, Parsons would invoke the god Pan. [ii]

GOD PLANET OF DEATH AND THE STARGATE OF THE NEW AGE



They want you to be converted into become a new style Cosmic Christian but you must interchange your biblical Jesus Christ and His Deity with a NEW AGE CHRIST; but you learn to open your own personal Star Gate. The apostle John was given in phenomenal vision a glimpse of the end of the age. (Rev. 1:10), called the "Day of the Lord" During this "day of the Lord's wrath" (Zep. 1:18), God will punish humanity for their proud, sinful ways and their refusal to acknowledge Him as the true God. In Revelation 9:11, an intriguing character is introduced: "And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon," (Rev. 9:1-11).

The **Spirit of the Abyss** is the leader and **god of The Abyss** is also referred to as **"the Darkness"** may be, in fact, Evil Incarnate/Itself. **Abaddon** and **Apollyon** both mean **"destroyer."** Who is this ruling demon called the **"Destroyer,"** who is released from the **Abyss** during God's wrath on mankind in the last days of this age?

This is the fallen angel that will possess the man called "Antichrist"

Portals are inter dimensional openings, doorways, mystical doorways, star gates, bridges, wormholes that transport entities from one reality to another. Some people say they can travel... Portals are Stargaze! And we see famous Christians "opening portals to Third Heavens. Christians are being powerfully deceived! They are perishing for a lack of knowledge.

OPENING THE PORTALS TO THE THIRD HEAVENS TO THE DEMONIC REALMS

"Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places, "(Eph 6:11-12) KJV.

What is IT? (God) What God . . . Angels, Angels?

"I'm hungry for "IT" (not God but IT) said Todd to Bob Jones." Patricia King was hungry for IT too. What is IT? (God) What God . . . Angels, Angels?

Bob Jones' Third Wave's chief guru spiritual experiences are extraordinary to say the least. They consist of "Voices," "angels," and "translations to heaven" which give him revelations that are not only contrary to Scripture but are easily categorized as of the New Age variety of spirituality. Jones is whom Todd Bentley looks to as a senior prophet and mentor.[iii]

STRONG DELUSIONS AND DARK HEARTS ~ FALSE CRAZY REVIVALS ~ NEW AGE CHRIST

By Deborah from here -

"Taken from SeekGod website: Information reveals that many in today's leadership and organizations were as a result of involvement with Fuller Theological Seminary in some way; Fullers goal was to devise and implement strategies and

methodologies, that, according to Nancy Flint, who worked with John Wimber, "*... run the gamut from introducing heretical doctrine, to manipulation of spiritual forces through the bringing down of "fire" from heaven, virtually all pockets of resistance to this global movement have been overcome… Literally thousands of church leaders have been trained and "deployed" into "power" positions from this seminary.*" Our own research would concur with these statements. *[Italic/underlining emphasis added by Deborah (see link to slain in spirit/calling down FIRE article below).*

The following are *just some* of the individuals who have contributed to framing the heretical doctrine being taught at Fuller and spread throughout the world today as "New Evangelicalism":

Donald McGavran / David Bryant / Ralph Winter / Richard Foster / C. Peter Wagner / Dick Eastman / John Wimber / Phill Butler / Dr. Arthur Glasser / Robert Grant / George Eldon Ladd / Jay Gary / Jay Grimstead

[Deborah's note: some info included on ties to George Otis Jr. (Transformation), Graham Power (Transformation) and Angus Buchan, Bennie Mostert and Rick Joyner below as side note information]

Summary: The "Transformations Revival" as championed by George Otis and Peter Wagner is a dispensation ally ill-conceived attempt to uproot the kingdom of darkness and visibly establish the kingdom of God on earth.

Whenever you hear the word "transformation" you need to keep George Otis and his new uses of this term in mind. Global church transformation is inextricably connected to George Otis and his "Transformation" video series. The nutty new doctrines and unorthodox methods that this man has promulgated have had widespread influence far beyond the confines of the New Apostolic Reformation. These "Transformation" videos were behind the Global Day of Prayer, which began as an African initiative, and were later picked up by Rick Warren and others to create a 5-year global "transformation" event. [2]

A false revival based on Peter Wagner and George Otis' concepts of spiritual mapping and spiritual warfare also practiced in mass rallies on

stadiums, has already been established in South Africa. The video, Transformations, by George Otis, has been widely distributed, recommended and showed throughout South Africa to introduce people to this strange kind of spiritual warfare techniques used by ecumenists and reconstructionists.[3]

BABYLON THE GREAT

The seduction of Christianity is often very subtle and various Christian principles are targeted. The devil has already succeeded to infiltrate evangelical and charismatic Christendom through seduction to follow after a counterfeit revival. He follows the well-proved methods against which Paul warned Christians in the first century:

"For I am jealous over you with a godly jealousy: for I have espoused you to one husband, that I may present you as a chaste virgin to Christ. But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ. For if he that cometh preacheth another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him" (2 Cor.11:2-4).

<u>Jesus is still preached by these new spiritual leaders, but the message of the Cross is not central to their preaching.</u> Through a reinterpretation of the meaning and significance of the Cross, Jesus is changed into another Jesus. The heart of the gospel message is twisted that the emphasis on sin and the inherent sinful nature of man is shifted to the sin of the community, the city, or nations that are ruled by Satan. The solution to this problem is not personal regeneration but spiritual warfare enforced by a united, ecumenical Christendom against the kingdom of Satan.

There is an army of New Age "Christians" who are telling you through their writings, actions, mysticisms and witchcraft practices that they are bringing a new message called joining the earth's gate to the heaven's gate. According to their words, they believe me, they are not true biblical followers of Jesus Christ. They are leading the world into a mystical star gate of the Third Heavens where beings they call "angels," from another spiritual dimension.

DON'T GO THROUGH THE PORTAL TO THE THIRD HEAVEN. . . YOUR SPIRIT MAY NOT RETURN!

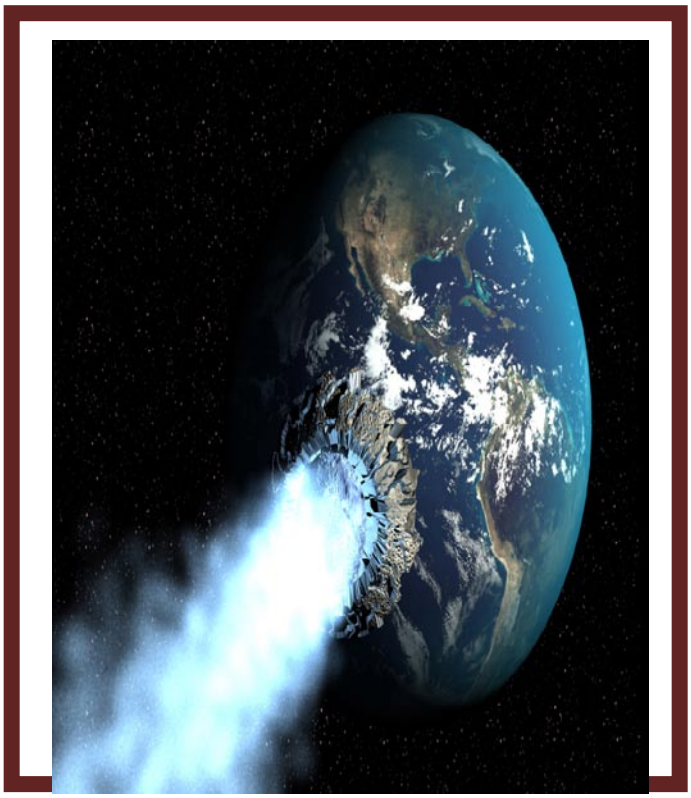
September 10, *2008* US Troops Commit Mass Suicide After Babylon 'Star gate' Opened

The portal (spiritual doorway) to enter the occult-New Age World is filled with powerful demonic Creatures and there are many "CHANGE AGENTS" to open the occult Star Gate doorway to the Third Heaven.

Jesus warned, (Matt. 24:24), "For false Christ and false prophets will arise, and they will show great signs and wonders so as to deceive and lead astray, if possible, even the elect." Remember, if you sell out to Jesus, read His Word and carefully discern and watch what is being taught to you, you WILL NOT be deceived. The Holy Spirit will lead you into all truth."

This last warning even gives us the clue that such false ministers will be able to perform many of the same "lying signs and wonders" foretold of Antichrist. Such false ministers will employ great power, but it will be the paranormal power of the occult, and will be exercised for the express purpose of leading both believer and unbeliever astray.

WHO WILL YOU FOLLOW? TODD BENTLEY AND PETER WAGNER AND HIS APOSTLES PROPHETS OR JESUS?



"How can ye believe, which receive honour one of another, and seek not the honour that cometh from God only?" (Jn. 5:44).**KJV**

"That whosoever believeth in him should not perish, but have eternal life. 16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life," (Jn. 3:15-16).

A most strange FSB report is making its rounds in the Kremlin today that says over 20 US Soldiers from the United States Army's 716th Military Police Battalion, 101st Airborne Division, tasked with providing security for the ancient Iraqi city of Babylon, and based in the Iraqi city of Hilla, have committed '*mass suicide*' after their attempt to '*link*' what is described as an **ancient '*star gate*'** to CERN's Large Hadron Collider [pictured 2nd photo left], and which is about to begin one of the most controversial science experiments in human history, and as we can read:

"The greatest science experiment in the history of the world, due to begin tomorrow, is imperilled by bizarre allegations that it will bring about the cataclysmic end of that very same world.[v]

As scientists from around the world prepare to launch the Large Hadron Collider, a particle accelerator in Switzerland that aims to recreate the conditions of the Big Bang and answer some of the most fundamental questions of the universe, concerns about the project -- from scientists and

conspiracy-theorists alike --are intensifying.

In the past couple of weeks, there have been lawsuits in American and European courts over last-ditch efforts to halt the project, and a flurry of threatening e-mails and telephone calls from worried members of the public who fear the massive machine could cause earthquakes and tsunamis that will destroy the world.

Located deep underground on the Swiss-French border, the Large Hadron Collider is a 27-kilometre-long circular tunnel in which high-energy beams of protons travelling in opposite directions are to be slammed into each other at energies up to seven times greater than any achieved before. Scientists will be monitoring the subatomic particles created by the collisions and hope the grand experiment will recapture conditions not seen since the birth of the universe."

To the mass suicide of these US Soldiers we can also read as reported by Iran's Press TV News Service:

"Iraqi security sources have revealed that 21 US troops had committed suicide inside a former Iraqi air force base 27 days ago, Fars News Agency reported on Monday.

According to the sources, the 21 troops were treated in a hospital but only five soldiers have survived and they are in a critical condition. Security officials said they used potent narcotics to kill themselves. "The bodies of the US troops became misshapen[in] such a way that they looked like 5000-year mummies," said a witness."

It should be noted that Russian Intelligence Analysts have long reported on these Western Nations attempts to reestablish '*contact*' with their ancient gods, and as we had previously reported on in our April 16, 2006 report, "**Mysterious 'Ritual' Performed By United States Military Forces In Babylon Raises Concerns Of Muslim And Russian Orthodox Religious Leaders**", in which we had detailed the most true history of these peoples, and also issued a warning to them:

BABYLONIAN GATE

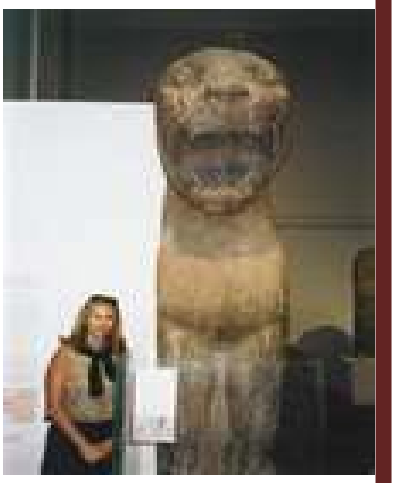
"The 'Feathered Serpent' aspect of this most strange ritual being performed by the Americans in their retrieval of their underground finds in the ancient vaults of Babylon lend further credence to historians who state that the actual name of America was taken from the Winged Serpent God of the Americas name in Peru, which is called Amaruca, and as we can read:

"In the most prevalent versions of American history, the origin of the name America is attributed to the Italian explorer Amerigo Vespucci. This popular distortion of the true origin of the native Amaruca, which translates as: Land of the Great Plumed Serpent, may be finally gaining more credibility among scholars to restore the name Amaruca to its rightful place.

Recent discoveries in Peru may lead to more conclusive evidence concerning the relationships between North and South American indigenous peoples. As discoveries continue to unearth ancient Incan cities, writings pertaining to the mysterious origins of Amaruca are sure to be found. The Incas abandoned their towns and cities and retreated from the treasure-hunting Spanish invaders after the Conquistadors captured and executed the last Incan leader, Tupac Amaru, in 1572. Some of the cities have since been rediscovered, but many more are believed to lie hidden in the dense jungle."

Most concerning to both Muslim and Russian Religious Leaders of these mysterious events is the timing of them to coincided with the ancient Babylon Religious worship of Easter, but to which Western Christians have adopted as being the day their Lord arose from the dead, but in actuality is a celebration of the Darkest of the World's powers, and as we can read:

"Most children and families who color or hide Easter eggs as part of their Resurrection Sunday tradition have no knowledge of the origin of these traditions. Easter egg activities have become a part of Western culture. Many would be surprised and even dismayed to learn where the traditions originated.



...
.com/easter_and_ishtar.
html

"The egg was a sacred symbol among the Babylonians. They believed an old fable about an egg of wondrous size which was supposed to have fallen from heaven into the Euphrates River. From this marvelous egg - according to the ancient story - the Goddess Astarte (Easter) [Semiramis], was hatched. And so the egg came to symbolize the Goddess Easter."

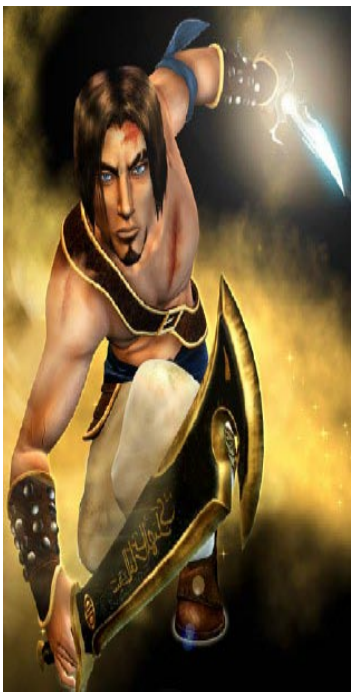
The idea of a mystic egg spread from Babylon to many parts of the world.[12] In Rome, the mystic egg preceded processions in honor of the Mother Goddess Roman. The egg was part of the sacred ceremonies of the Mysteries of Bacchus. The Druids used the egg as their sacred emblem. In Northern Europe, China and Japan the eggs were colored for their sacred festivals.

The egg was also a symbol of fertility; Semiramis (Easter) was the goddess of Fertility. The Easter egg is a symbol of the pagan Mother Goddess, and it even bears one of her names."

To the Darkness that has enveloped the Western peoples for their devotion to the ancient gods of darkness we have spoken of many times, but with these new events occurring in Babylon today the entire world should indeed shudder…for by all accounts, those cruel demons of our ancient days may be once again unleashed upon us all by the actions of the Americans.

For even in our most ancient of days these horrific dark masters were feared by the Angels themselves, and as war with the Persians of Iran is soon to occur, and which will undoubtedly unleash the largest war of all, it is well that we all remember the words of Daniel [10:20] about this greatest of beasts, read and understand:

"But I am going back to make war with the angel of Persia, and when I am gone, the angel of Greece will come. And there is no one on my side against these, but Michael, your angel."



To an even fuller understanding of these events it should also be noted:

"On June 18, 2004, an unusual new landmark was unveiled at CERN, the European Center for Research in Particle Physics in Geneva — a 2m tall statue of the Indian deity Shiva Nataraja, the Lord of Dance [3rd photo left]. The statue, symbolizing Shiva's cosmic dance of creation and destruction, was given to CERN by the Indian government to celebrate the research center's long association with India."

Even more concerning of these events are the many reports from the United States that their 'web bots' are predicting a cataclysmic collapse of their Nation set to begin by the end of this month, and that the date of October 7th is to be particularly feared.

To the truth of these events it is not in our knowing, other than to state the obvious that b http://www.whatdoesitmean.com/index1139.htmy the United States and its Western Allies further attempts to play like gods the danger for the very survival of our World does indeed hang in the balance.
